(1)

Sir,

Reference:- G.O.No. M.S.1654 L.E. dated 12-9-30 - Elementary Education Fund Budget estimate - Harpanahalli Taluk Board approved with remarks.

(i) The total of Rs.29,000/- shown in the column "Actuals" for 1928-29 includes the Taluk Board contribution of Rs.9900/- from General account to Elementary Education fund account. The omission was due to mistake in the fair copy.

(ii) Owing to the scarcity of funds, the Taluk Board are unable to frame a suitable building programme to curtail the increased provision under "House rent". The Government may be pleased to give a special consideration to the case of this Taluk Board, and sanction full building grants to it, at least for one or two each year.

(iii) The teachers employed under this taluk board are all trained men. Hence ~~there is~~ no provision was made under "Stipends of teachers". The services of trained candidates are always available in abundance even for short vacancies. Hence the provision of an allotment in the budget estimate for the training of teachers has been considered unnecessary.

(iv) The school fees were abolished with effect from 1-11-29. Hence no credit was taken under that head. The increased provision under the Taluk Board contribution from General account to

under the Taluk Board contribution from General account to Elementary-Education fund account provides for the loss of school fee income foregone. The Taluk Board are awaiting the amendment of the Elementary Education Act, 1920, which provides for the levy of elementary education cess ~~xxxxxxxxx~~. I have the honour to be compulsorily.

Your most obedient servant,

H K Basavaraj
